PWL Experience € 2.500,- per team of two (10% discount for existing customers). The deposit of € 2.500,- can be redeemed for € 250,- per team.

The rental price includes VAT, all-risk insurance and delivery & return service. The fuel costs will be deducted from the deposit.

The base price may differ from the above depending on the region.

The base price is valid until 21:00 at the latest; for each hour that the car is picked up later there is a surcharge of € 50,- (€ 100,- if changed during the rental period).

The km-rate applies to the desired number of kilometers from the delivery to the party / pick-up location. This may be changed up to one week before the rental date at the latest.

If the agreed number of kilometres is substantially exceeded (more than 10%), the extra kilometres driven will be deducted from the deposit at twice the applicable km-rate.

There will be no refund if less kilometres are driven than previously agreed.

We apply a discount percentage of 10% for a booking of two cars and 15% for three or more cars.

The reservation takes effect when a downpayment of € 1.000,- has been made. In case of cancellation we will refund half of the downpayment.

The remainder of the own risk must be paid no later than one week before the rental date; this amount is reserved to settle any damages.

If the remaining balance is sufficient, the rental price will be settled at the end of the rental period; if the remaining balance is insufficient, the rental price must still be paid separately.

The car can only be delivered the evening before if the car has not been booked and if it can be parked in a private garage at night.
